Re: Andre-Rodney et al. v. Hochul et al., 21-cv-01053

Dear Judge Sannes:

As the Court is aware, a telephonic motion hearing for the subject case is set for October 21, 2021. Due to a scheduling conflict with a plea hearing in the Middle District of Florida, I respectfully request an adjournment of this telephonic motion hearing until October 27, 2021 or October 28, 2021.

Counsel for Defendants, Assistant Attorney General Jorge A. Rodriguez, consents to this request, but is only available October 27, 2021 through October 29, 2021.

I appreciate the Court's consideration and accommodation.

Respectfully,

A handwritten signature in black ink, appearing to read 'Dennis C. Vacco'.
